REGULATIONS

FOR THE

Election of Trustees.

EXTRACT FROM SECTION I. OF THE CHARTER OF AMHERST COLLEGE.

The number of members [of the Board of Trustees] including the President of said College shall never be greater than seventeen, and the five vacancies which shall first happen in the Board of Trustees shall be filled as they occur by the joint ballot of the Legislature in convention of both Houses; and whenever any person so drawn by the Legislature to fill such vacancy, or his successor, shall cease to be a member of the Corporation, his place shall be filled in like manner, and so on, forever. As vacancies shall occur in said Board, they shall be so filled that the said Board shall, as soon as may be, and forever after, consist of seven clergymen and ten laymen.

AN ACT passed by the Legislature of Massachusetts to provide for the election of certain Trustees of Amherst College by the graduates thereof. Approved by the Governor, April 28, 1874.

SECTION 1. The five Trustees of Amherst College heretofore chosen by the Legislature, shall hereafter be chosen by the graduates of said College.

SECTION 2. Whenever a vacancy shall occur among the five Trustees, the Board of Trustees of said College shall give notice thereof to the Society of the Alumni of said College, which, at its next annual commencement meeting thereafter, shall proceed to choose a Trustee to fill such vacancy, in such manner and under such regulations as may be determined by said Society, and shall return notice of such choice under the attestation of the Secretary thereof to the Board of Trustees, whereupon said Trustees shall declare such person so chosen, a member of said Board, and enter the same upon their records: *provided, however*, that said Society shall be open to all the graduates of said College: and *provided, further*, that no member thereof who is not also a graduate of said College, except members of the Faculty of said College who have become members of said Society of the Alumni, shall be entitled to vote under the provisions of this act, nor shall any graduate be entitled to vote prior to the fourth annual commencement after his graduation.

SECTION 3. The qualifications, tenure and forfeitures of office for the said five Trustees of said College, may be fixed by such rules as may be

adopted by the Board of Trustees, in concurrence with the Society aforesaid, and such rules, when once adopted, shall not be changed except by a two-thirds vote of said Board and of said Society at annual meetings thereof.

SECTION 4. All acts and parts of acts inconsistent herewith, are hereby repealed.

SECTION 5. This act shall not take effect until it is accepted by the Society of the Alumni, and the Board of Trustees of Amherst College, respectively, at meetings held for that purpose.

REGULATIONS

For the election of certain Trustees of Amherst College by the Alumni, adopted by the Society of the Alumni and by the Board of Trustees, July, 1874.

Whenever a vacancy shall occur among the five Trustees heretofore elected by the Legislature of Massachusetts, the Society of the Alumni of Amherst College shall fill such vacancy in the following manner:

Three inspectors of election shall be appointed by said Society at each annual meeting, whose duty it shall be to give notice in the month of April of each year, of such vacancy, to the Alumni entitled to vote for Trustees, and request them, on or before the 15th day of May, to nominate by written vote, over their own signature, three persons to fill each such vacancy, excluding the name of any member of the Faculty, who are not to be eligible to the office of Trustee, and the three persons receiving the highest number of votes shall be regarded as the nominees of the Alumni of Amherst College.

Said inspectors shall in the month of May, prior to each commencement, notify the Alumni entitled to vote for Trustees of said nominations, and request each of them to send a written vote to said committee over their own signature (unless they are to ballot in person at commencement), for so many Trustees as are to be elected, and whoever shall receive the highest number of votes and ballots shall be declared elected Trustee or Trustees.

The polls for the election of Trustees shall be open on Wednesday of commencement week from 10 to 12 o'clock in the morning. The place of election shall be in one of the College buildings at Amherst, to be selected by said inspectors from year to year, and notice of the same shall be given to the Alumni.

Said inspectors of election, or a majority of them, shall receive and count all votes and ballots, and without delay make a written return of the persons elected as Trustees, to the Secretary of the Society of the Alumni, who in turn shall forthwith notify in writing the Board of Trustees.

If any inspector shall die, resign, or fail to act for any reason, the remaining inspector or inspectors may fill his place. All notices to the Alumni herein required to be given shall be sent by mail.

Each Trustee elected by the Alumni shall be chosen for the period of five years, and after serving a full term of five years shall be eligible for re-election by the Alumni for another term of five years, but after a second term he shall not be again eligible for re-election till five years have intervened. If elected, however, for a shorter term than five years, said shorter term shall not be reckoned as a part of either of said full terms of five years.

If there shall be more than one Trustee to be elected at any commencement, except when an unexpired term of five years is to be filled, one Trustee shall be elected for the term of five years, and the other Trustees for such shorter term as shall be determined by the inspectors of election, in such manner that, ultimately, the term of office of one Trustee shall expire each year.

In case of the death, resignation, or inability to act of any of the inspectors of election, the remaining or surviving inspector or inspectors shall have full power and authority to act until another inspector or inspectors shall be appointed, as herein before provided.

In case of a tie vote for Trustees, the inspectors of election shall determine the choice by lot.

Amendment, July 2, 1879.

And the vote on the nominating ballot may be equal in number to three candidates for each vacancy, without designating between the long and short terms. And, on the final ballot, the votes need not distinguish between the terms, but the inspectors shall designate the person having the highest number of votes as elected for the long term, and the person having the next highest number of votes as elected for the term next in length, and so on.

No ballots once mailed can be revoked.

The term of office of Trustees elected by the Alumni shall, in the last year of their respective terms, expire on the end of Thursday of Commencement week, and the term of office of the newly elected Trustee shall begin immediately thereafter.

Amendment Adopted by the Society, June 24, 1890, and to be Presented to the Trustees at their Next Meeting.

The inspectors of election shall give the preliminary notice before January 15th in each year.

Each person entitled to vote may nominate one candidate only for each vacancy, and shall send his nomination by mail to the inspectors in season to be received by them on or before April 1st following.

The names arranged in alphabetical order of seven nominees who have received the highest number of votes shall be sent by mail on or before the fifteenth day of April to each alumnus entitled to vote, and the seven so determined shall be the candidates from whom the trustee or trustees to be elected shall be chosen.

The Catalogue of Graduates of the College is published every fifth year, during the summer vacation.

The Catalogue of Undergraduates and Course of Study is published annually, near the end of the fall term.

A list of living graduates with the post-office addresses, is published annually, near the close of the year.

An Obituary Record of Alumni deceased during the year is distributed at Commencement.

All of the above, except the Obituary Record, which is sent on application, are mailed regularly to graduates whose addresses are known.

To make these publications as complete as possible it is desired that notice of changed addresses, ordination, degrees received, appointments to professorships or to civil office, the names and age of deceased graduates, with the year of death, and any other facts appropriate for either of these records be promptly sent to the Registrar of the College.
